Off School Grounds-Extended Learning (ELO) Permission Form

Your son/daughter _____ is requesting to participate in an Extended Learning Opportunity that will take place off of school grounds.

Where: _____ When: _____

Students participating in off grounds ELOs are expected to be responsible for their own transportation to and from the ELO site.

By signing the following, you are agreeing to allow your son/daughter to participate in an ELO taking place off school grounds. Your son/daughter will be covered under the school district's insurance carrier, PRIMEX, as long as they travel directly to and from the ELO business site and do not transport peers. It is expected that if your son/daughter drives to the ELO site during school hours, he/she will leave and return to school as scheduled and will be required to sign in and out at the front office.

Please review the information with your son/daughter, sign and have your child return to the front office.

I give permission for my son/daughter to participate in the ELO.
