

Raymond School District Policy – EEE

MOTOR VEHICLE SEAT BELT USE

All employees operating school district owned vehicles, passengers in school district owned vehicles, and all employees operating personal vehicles while engaged in school district business, and employees and passengers riding in a passenger vehicle while on school district business must wear seat belts.

All school district vehicles will be equipped with seat belts. This includes the vehicle cab, passenger seating area and jump seats. Passengers will only be permitted to ride in areas of the vehicle designed for that purpose. Seat belts shall be used by all employees riding in the vehicle when the vehicle is in motion.

There are no exemptions to this policy.

Violation of this policy will result in disciplinary action in accordance with school district disciplinary procedures.
