

Raymond School District Policy - EFC

FREE AND REDUCED-PRICE LUNCH POLICY

In accordance with federal regulations, the District shall make available to all children of low economic means and children of moderate income families experiencing financial difficulties free or reduced-priced lunches through the School Lunch Program in the local school.

Parents who believe their children are eligible may contact the building principal and a determination will be made relative to their eligibility. Parents may appeal a negative determination to the Board and the Superintendent.

The only means of determining the children who are receiving free or reduced-price lunches would be through the school office. This information will be confidential; thus, the children will remain anonymous.
