

Raymond School District Policy - BA

ANNUAL GOALS AND OBJECTIVES

We believe that the School Board is responsible for engaging the community to support high achievement for every child. Each year the Board and Superintendent will formulate goals and objectives. The goals and objectives may include but are not limited to the board functions of vision, structure, accountability, advocacy, and unity – all geared to high student achievement.

Throughout the year the Board and Superintendent shall reflect on the degree to which the goals and objectives are being accomplished. At the end of each year, the Board and Superintendent will evaluate their work and report the results to the public.
