

Raymond School District Policy - BJ

SCHOOL BOARD LEGISLATIVE PROGRAM

The Board will develop an annual legislative program through conferences with the state and national School Board associations.

When appropriate, the Board will work for the achievement of common legislative objectives through these associations and with other concerned groups.

The Board will also seek both direct and indirect representation of its position on pending legislation with appropriate state and federal legislators and legislative committees.

The Board will maintain contact with the local legislators, and keep them informed of school-related issues.
