

## Raymond School District Policy - CHCA

### HANDBOOKS AND DIRECTIVES

In order that pertinent Board policies, regulations, and school rules and procedures may be known by all staff members and students affected by them, District Administrators and principals are granted authority to issue staff and student handbooks.

It is essential that the contents of all handbooks conform with district wide policies and regulations. School Board policy supersedes any inconsistencies in the student handbooks. The Board must approve all handbooks prior to publication.
