**AUTHORIZED USE OF SCHOOL OWNED  
MATERIALS AND EQUIPMENT AGREEMENTS**

**STUDENT AGREEMENT - CHROMEBOOK CONTRACT**

I am being loaned, by the Raymond School District, one Chromebook, a carrying case, and a charger and this equipment is in good working order. It is my responsibility to care for this equipment and ensure that it is maintained in a safe environment. The equipment is, and at all times remains, the property of the District and is herewith loaned to me for educational purposes.

I AGREE TO:

- Follow the policies for electronic devices and digital citizenship as outlined in the Student Handbook, the Raymond School District Technology Acceptable Use Policy, and any other Raymond School District technology policies at all times.
- Bring the device fully charged and ready for use each day. I understand that I can not disrupt the learning environment in a classroom to charge my device.
- Follow all faculty and staff directives and instructions regarding Chromebook use.
- Read the Raymond Schools One-to-One Handbook and understand it is to be used as a guide and does not attempt to address every required or prohibited behavior by its users.
- Understand that this equipment is the property of the Raymond School District and the District has the right to search and/or monitor the equipment issued to me and the digital use on the equipment and District accounts.
- Assume full responsibility of the issued equipment at all times.
- Immediately return the equipment in good working condition upon the District's request or withdrawal from the District.
