

NAMING NEW FACILITIES

The naming of any School District property (land, buildings, or any portion thereof) is restricted to the legislative body only at an annual meeting. Subject names will be submitted to the legislative body by a committee appointed by the School District Moderator and consisting of 1 School Board member, 2 staff members, and 4 community members at large. They shall submit no more than 3 names for consideration to the legislative body. The name receiving the most votes shall be declared the chosen name.
