11. Staff members shall not disclose information concerning a student, other than directory information, to any person not authorized to receive such information. This includes, but is not limited to, information concerning assessments, ability scores, grades, behavior, mental or physical health and/or family background.
12. Staff members shall not be alone in a room with a student with a door closed, a locked door, or with the lights off.
13. Staff members are strongly discouraged from socializing with students outside of school on social networking websites, consistent with the provisions of Policy GBEBD.

 - "Bulk notification" is defined as three or more members;
 - The notification system is authorized by the Superintendent;

- The parent/guardian provides prior written permission for their child to receive the text notifications/alerts from specific staff member(s) for each school year;
- The parent/guardian receives the same notifications as sent to the child when the parent/guardian elects to receive such messaging; and
- Staff will not text message individual students.

Staff members who violate this policy may face disciplinary measures, up to and including termination, consistent with state law and applicable provisions of a collective bargaining agreement.

Any employee who witnesses or learns of any of the above behaviors shall report it to the building principal or Superintendent immediately.
