

Raymond School District Policy – GBEBD

EMPLOYEE USE OF SOCIAL NETWORKING WEBSITES

The School Board strongly discourages school district staff from socializing with students outside of school on social networking websites, including but not limited to MySpace, Facebook, Twitter, or dating websites.

All school district employees, faculty and staff who participate in social networking websites shall not post any school district data, documents, photographs or other district owned or created information on any website. Further, the posting of any private or confidential school district data is strictly prohibited.

School district employees are prohibited from engaging in any conduct on social networking websites that violates the law, school board policies, or other standards of conduct. No conduct may negatively impact or disrupt the educational environment in the school. Employees who violate this policy may face discipline and/or termination, in line with other school board policies, acceptable use agreement, and/or collective bargaining agreements, as applicable.

Nothing in this policy prohibits employees, faculty, staff or students from the use of approved educational websites if such sites are used solely for educational purposes.

Access of social networking websites for individual use during school hours is prohibited.
