EVALUATION OF PROFESSIONAL STAFF

The School Board will adopt and the Superintendent will implement a teacher performance and evaluation system. The performance and evaluation system will include procedures, evaluation criteria and other components necessary to evaluate certified teaching personnel. Such procedures, criteria and components may be included as an appendix to this policy.

The School Board will involve teachers and principals in the development of this policy and its corresponding appendix by providing such teachers with notice and an opportunity to comment on their provisions. However, all final decisions relative to evaluation procedures, criteria and components will remain with the School Board.
