INTERSCHOLASTIC ATHLETICS

The School Board will offer interscholastic athletics subject to budgetary considerations. The purpose of interscholastic athletics is both educational and recreational. The athletic program should encourage participation by as many students as reasonably possible, and should be carried on with the best interests of the participants as the first consideration. This should be done in conjunction with the academic program.

Participation in interscholastic athletics is subject to the rules adopted by the New Hampshire Interscholastic Athletic Association (NHIAA) and other rules adopted by the Superintendent and the Principals.
