## Raymond School District Group Services and Online Learning

Dear Parents/Guardians:

You are receiving this notification because your child's Individual Education Program (IEP) Team determined that the needs of your child were best met through group services. Your child may have group sessions for speech, occupational therapy, physical therapy, counseling, or an academic subject. Groups are configured based on the unique needs of your child as well as other children. Frequently, groups contain students with IEPs and those who do not have IEPs.

We are prepared to continue group services in an online format with the service provider in an effort to honor those group services in the IEP during the school closure. Your child will be able to see the service provider and the service provider will be able to see your child. It is possible, that a parent is home at the time of the service. As a result, the parent of one child in the group may be able to see another child in the group. We ask that you respect the privacy and maintain confidentiality. If you are concerned about this, please reach out to your LEA. The list of the LEAs for the district is listed below.

The group session will occur in real time. It is illegal in New Hampshire to make a recording without the explicit consent of each party involved. As a result, no recordings can be made of these online sessions.

Please respond to this email to indicate whether you select OPTION 1 or 2 below.

If you respond via email, please include in your email message your full name, your student's full name, and whether you are selecting OPTION 1 or 2.

Your email will be printed and attached to this notification. It will then be placed in your child's special education file. It will be considered an electronic signature.

If returning by U.S. postal mail, please print this email, circle either OPTION 1 or 2, print your child's name, print your name, sign your name, and write beside your signature the date you signed the document.

Please Send to:

Scott Riddell  
43 Harriman Hill Road  
Raymond NH,  
03077

- OPTION 1: You consent to your child participating in the online group sessions during the school closure and further agree that no one in your household will record these sessions.
- OPTION 2: You do not agree to your child participating in online group sessions during the school closure.

If you do not respond, the School District will reluctantly assume you prefer OPTION 2.
