Reach High Scholars

Take a peek at RR19:

- Summer academic enrichment = Learning is fun!
- Developed for curious, motivated students in collaboration with Phillips Exeter Academy
- Harkness Method: a fun, lively way of student-led learning.
- Courses offered in Language Arts, Mathematics, and Computer Science. Opt for one, two, or all three!
- Classes meet mornings July 10-26. A graduation celebration will take place on the evening of final day.
- The first of many opportunities offered by RHSP to help your student **REACH HIGHER** in their educational pursuits.
- Financial aid is available to qualifying families.

Light refreshments will be served.
