Superintendent Goals: The School Board began discussion with incoming Superintendent Terry Leatherman about goals to set and formalize with dates at the July 13th School Board meeting. Items discussed during this meeting:

1. The Superintendent should visit classrooms on a weekly basis and report highlights to the Board in the Friday Memo.
2. There should be consistent grading practices among the schools. The Board should have a conversation with the Superintendent regarding the way the grading is done and the direction the District should be going in. Progress and processes should be monitored to help staff and the growth they need.
3. The Superintendent should have an entry plan for the July 13th Board meeting. A write-up/presentation on the progress of the plan do date would then be scheduled for the first meeting in October.
4. The Board would like to see a reduction in the number of Tier II and Tier II students. The Superintendent can weigh in on July 13th as to what a reasonable number to reduce by would be. The Board would like numbers of students and tiers as of the last day of school, broken down by grade if possible. The Board also requested Mr. Leatherman provide what he envisions regarding where to improve or provide training.
5. The Superintendent should look at curriculum and possible redundancies. This will probably take place as part of the curriculum oversight and updating taking place this upcoming year. It was noted to be sure that our curriculum is covering items included in assessments.
6. It was noted that some informal reports of bullying versus numbers of reported bullying incidents don't add up. The Board asked Mr. Leatherman to consider how to review this, and if he will be looking back at whether bullying incidents were fully reported and/or accurately decided, or moving forward will he be looking closely.
7. Use the total amount of available professional development money in the budget.
8. The Superintendent should schedule meetings with the Town Manager, Fire Chief, Police Chief and other community partners such as Raymond Coalition for Youth, Seacoast Mental Health, Constellations. He should continue to meet with parent groups monthly, and continue to meet regularly with student groups at RHS (Student Council and/or Site Council).
9. Provide weekly updates to the Board regarding open positions.
10. The Superintendent should stay active in the community, including this summer. There was discussion of a *Meet and Greet* to be scheduled for the first Board meeting in September.

11. Increase and improve social media presence. Publicize the good that's happening.
12. Student academic goals, setting benchmark goals for test scores and assessments, measuring student progress. More conversation can take place at the July 13th School Board meeting.
13. Mr. Leatherman should research who could serve as his mentor. If there is a cost associated with that, it would be at the District's expense. Mr. Leatherman will bring an estimated cost, if any, to the July 13th meeting.
14. Improve publication of events on the website and social media, including full use of the website calendar; and develop a system for events to not overlap among schools. Look into whether the Athletic Director has any control over the dates of games.

Adjournment: MOTION: John Harmon moved, seconded by Joseph Saulnier, to adjourn the meeting. Voted unanimously in the affirmative. Meeting adjourned at 7:58 PM.

Respectfully submitted,

Jennifer Heywood,
Raymond School Board Clerk
