8th Grade Class Trip Proposal - 2021

- Traditionally, the 8th grade class trip is a 4 day, overnight trip to Washington, D.C.
- Leave IHGMS on an early Tuesday morning and return late Friday evening.
- Because of the current pandemic and related Reopening Plan requirements;
 - Many of the costs related to this trip have increased significantly;
 - Would need twice as many hotel rooms.
 - Would need twice as many coach buses.
 - Many of the sites normally toured and visited remain closed
