The overarching goal of the proposed supports is to remediate and accelerate student learning in the context of the disruptions caused by the COVID-19 pandemic. Administrators from across the organization will present, along with some teachers, and answer questions of the Board or the public.*

- 8:40 PM D. Spring Sports Transportation Update _____ Information

Of the 15 known events (barring tournaments and one TBD game) DAIL/STA has been able to arrange transportation for all but three of 15 spring sports events. This was done through continued problem solving (rearranging start times, using buses from the Merrimack terminal or juggling with other districts' schedules). We continue to problem solve events on May 21, 24 (rescheduled) and 26. This will become easier as the dates come a bit closer.
