

Dail Transportation updated us on their ability to accommodate RHS teams for the fall season. We currently have 46 trips scheduled and this does not include playoffs.

The company was able to fulfill all our preseason needs but have only confirmed 8 of 43 regular season events. You can see below what has been confirmed for each sport. Reminder that this does not include League/State Tournament Games.

Cross Country - 0 of 5 confirmed
Football - 3 of 4 confirmed
JV/Volleyball Volleyball - 2 of 7 confirmed
Varsity Boys Soccer - 1 of 9 confirmed
Varsity Girls Soccer - 2 of 8 confirmed
Middle School Girls Soccer - 0 of 5 confirmed
Middle School Boys Soccer - 0 of 5 confirmed

The RHS administration requested that the Raymond School Board look at the following policies and consider making changes to them:

[EEBB - USE OF PRIVATE VEHICLES TO TRANSPORT STUDENTS](#) This policy does allow students to drive to SST, although parental permission is required. For the upcoming fall season we request a similar permission form to allow students to drive to games. We ask that the board consider allowing siblings to drive together.

[EEBB-R* PARENT/GUARDIAN TRANSPORTATION OF THEIR CHILDREN](#) This policy only allows parents to transport from games, so this would have to be altered to allow them to transport students to the games.

Other options would include:

1. Purchase 2-3, 15 passenger vans (would help CC and possible MS soccer & volleyball)
2. Seek coverage from another company (long trips Football to Fall Mt., G Soccer to Fall Mt., B Soccer to Mascoma)
3. Allow parents, players, coaches to drive
4. Cancel the 5 JV volleyball games to accommodate the bus company 4:15pm departure for varsity games only
