*This time is scheduled for School Board discussion of the procedure for snow days/school closures and student work. (Such as the use of "Blizzard Bags.")*

*Update: August 17: Based on discussions with Raymond district administration, NHSBA and review of NH Legislative language I would support the use of distant education using our established Google classroom to support learning in the event of a school closure due to a weather event or any such emergency closure.*

*I will continue my efforts to work with district leadership to develop the model we will use in the Raymond Public School district should the Board vote in favor of moving in this direction.*

*In discussion with NHSBA it was noted that the Distance Education policy will be reviewed again by the State Board at its August 2021 meeting.*
