

Currently, Dail Station in Epsom has:

SAU 53 which comprises Epsom, Deerfield, Allenstown, Pembroke, Chichester. In this district they only have 1 HS and they are doing athletic transportation when they can, just like Raymond. The middle schools must be carpooling because they have not heard anything from them.

Northwood - not covering athletic

Nottingham - not covering athletic

Strafford - not covering athletic

Barrington - not covering athletic

She indicated that other districts such as: Bow, Oyster River, Concord have their own buses.

Fremont goes with Durham Transportation.

I am still researching what other areas of the state are doing.
