## Raymond School District Policy - CBI-R

## SUPERINTENDENT EVALUATION (FORM)

One of the annual responsibilities of the School Board is to provide an evaluation of the Superintendent's job performance. This provides the constructive feedback necessary to promote a productive and growth-oriented mindset. All individual evaluations are considered confidential.

This evaluation is based on the Superintendent's job description. In all ratings, care should be taken to think of specific examples that represent the score given. Open and honest feedback is imperative for a healthy Board/Superintendent relationship. The Superintendent will also complete this form as a self-evaluation.

Please rate the Superintendent's performance in demonstrating the following roles and responsibilities on a scale of 1-4: 1 - Needs Improvement 2 - Satisfactory 3 - Meets Expectations 4 - Exceeds Expectations \*If you choose a rating of Needs Improvement or Exceeds Expectations, please provide a brief comment to explain your rating in the comment section at the end of that topic.
