### **2020 NHSBA Delegate Assembly – Agenda** **Saturday January 25, 2020** **10:00am – 3:00pm**

#### **10:00am      Registration**

#### **10:30am      Rochester School Board (2019 School Board of the Year)**

In recent years, the Rochester School Board has engaged in enhanced community feedback and engagement; revising and improving a District Strategic Plan; student personalized learning; implementing programs to address the social and emotional concerns of all children in response to parental concerns; and greater outreach and collaboration with a cross-section of education and community stakeholders. This presentation will touch on some of these initiatives.

#### **11:30am      School Practices that Increase Student Learning - What Schools Boards Can Do to Support This?**

This presentation will address understanding the structure and ideas of “Global Best Practices”; exploring self-identified areas of interest for school district improvement; and unpacking strategies employed by successful school board to support deeper student learning.

NHSBA is pleased to partner with the Great Schools Partnership, a non-profit school-support organization working to redesign public education and improve learning for all students. We are a team of passionate, committed educators and school leaders who bring decades of collective service in public schools.

David Ruff, Executive Director, expertise in school-improvement initiatives and education policy has been sought by both regional and national educational organizations, including the Council of Chief State School Officers (CCSSO), the U.S. Department of Education, and the American Institutes for Research. He has advised state agencies in New Hampshire, Vermont, Rhode Island, Connecticut, and Maine.
