At the February 7th School Board meeting, it was the consensus of the School Board to correct the estimated tax impacts for warrant articles 2 (budget) and 3 (capital reserve funds). We've been advised by our attorney that the School Board should vote on this prior to the Deliberative Session.

Wording related to warrant article #2 should be amended to reflect an estimated tax impact of \$1.58 per thousand, if the article passes. (Currently, the estimated tax impact is listed as \$1.59.)

Wording related to warrant article #3 should be amended to reflect an estimated tax impact of \$.03 per thousand. (Currently, the estimated tax impact is listed as \$.06)
