

Dear School Principal,

Enclosed you will find a check representing the funds raised by parents and the community for your school during the 2016 HannaFord Helps Schools Program.

We're confident that your fundraising team will determine the best use of these funds for your school.

Please remember if you have had changes to your **school contact, school address or need to update your contact email address** you need to let us know in order to keep all school records up to date. If this is the case, please email me asap at Hannah.Taylor@hannaFord.com.

Thanks!
