Upcoming Events Remote Learning....

Other

School Wide -The students, faculty, staff and administrative team have done an amazing job of making the almost overnight transition to Remote Learning! Kudos all the way around to them all! It has been a steep learning curve for everyone and all have stepped up to the plate and made it work! When we are hearing about what is happening in other districts as compared to what our district has been able to establish for our community makes it all that more impressive. "Ready for anything!"

4th Grade Move Planning Group - Collaborative team of representatives from grades 4-8, UA, Spec Ed, Admin, & SAU. Completed the room allocation and new master schedule.

EDie's Presentation Team - Although not selected to continue on in the selection process after step 2, the feedback from the committee was that we are doing all the right things and headed in the right direction and requested to apply again as we are contenders!
