E. RCTV Lease for Space at RHS _____ Action

The ten-year lease that the School District and the Town had in place for RCTV to use studio space at RHS expired in December.

For your consideration, [attached is an updated proposed lease](#), with dates and monetary amounts revised.

[\(Click here](#) to see the signed agreement that just expired.)

Note that the payment amount agreed to in 2013 was \$1500 annually, with periodic adjustments as outlined in the lease. The new proposed payment amount begins at \$1800 annually. This is in line with the most recent annual charge of \$1,731.22 for 2022. I recommend accepting the proposed payment schedule.

This item appeared as a warrant article on the 2013 School District warrant. If approved by the School Board and the Board of Selectmen, it would go to the voters through a similarly worded warrant article, below. We've been advised by legal counsel, and confirmed again, that this multi-year lease should appear on the district warrant. The wording recommended by legal counsel for the warrant article is:

"Shall the School District vote to authorize the School Board to lease a portion of the Raymond High School to the Town of Raymond for a ten year period for location of Raymond Community Television the public education and government access cable service for Town of Raymond and the School District?"

7:10 PM

F. New/Revised Policies - First Reading _____ Discussion

[EHAB Data Governance and Security](#) (Revised)

[JICD-R School School Zones MOU with Raymond Police](#) (Revised)

The proposed revision to this policy is suggested by the Raymond Police Department, as per RSA 105-D:2, VII (f). The revision is to the addendum on the last page.

[JFAM Education of Military Children & Military Connected Students](#) (New)

As per NHSBA: "created policy to reflect both provisions of the Interstate Compact on Educational Opportunity for Military Children (RSA 110-D), and of HB 1653 (2022 N.H. Laws Ch. 310), pertaining to "military connected students."
