6:20 PM A. Student Representative to School Board Report \_\_\_\_\_ Information

6:25 PM B. 2021-22 School Reopening Plan \_\_\_\_\_ Action  
Increasing Quarantine Requirements - Overnight Field Trips, Regular School Hours

*For continued discussion from the December 15th Board meeting.*

*Based on School Board questions about our [Reopening Plan](#) there may need to be an amendment to support the following change: (All household contacts vaccinated or not will be required to quarantine for 10 days)*

*A motion would be needed to support the following change: (Household Exposure would require quarantine, and nurse to determine return date for both vaccinated or unvaccinated staff/students.)*

*A Board member had inquired about students riding the bus to Washington D.C. and if one person is positive on the bus are they all then considered a close (household) contact. Masks are required on the bus for travel. We would follow Community/School Guidelines. If there needs to be a change in Reopening Policy then everyone would be required to wear masks vaccinated or unvaccinated.*

*There was another inquiry regarding whether rapid tests could be used for unvaccinated students exposed on an overnight field trip. We will be able to provide a rapid test on the trip.*

I have included the [original COVID Flow Chart](#).

With the CDC changing protocols last week I will meet nurses early next week to re-evaluate our protocols with regards to quarantine and return times.
