

HAZING

It is the policy of the District that no student or employee of the District shall participate in or be members of any secret fraternity or secret organization that is in any degree related to the school or to a school activity. No student organization or any person associated with any organization sanctioned by the State Board of Education shall engage or participate in hazing.

For the purposes of this policy, hazing is defined as an activity that recklessly or intentionally endangers the mental or physical health or safety of a student for the purpose of initiation or admission into or affiliation with any organization sanctioned or authorized by the State Board of Education.

"Endanger the physical health" shall include, but is not limited to, any brutality of a physical nature, such as whipping, beating, branding, or forced calisthenics; exposure to the elements; forced consumption of any food, alcoholic beverage, drug, or controlled dangerous substance; or any forced physical activity that could adversely affect the physical health or safety of the individual.

"Endanger the mental health" shall include any activity, except those activities authorized by law, that would subject the individual to extreme mental stress, such as prolonged sleep deprivation, forced prolonged exclusion from social contact that could result in extreme embarrassment, or any other forced activity that could adversely affect the mental health or dignity of the individual.

Any hazing activity upon which the initiation or admission into or affiliation with an organization sanctioned or authorized by the State Board of Education is conditioned, directly or indirectly, shall be presumed to be a forced activity, even if the student willingly participates in such activity.

This policy is not intended to deprive School District authorities from taking necessary and appropriate disciplinary action toward any student or employee. Students or employees who violate this policy will be subject to disciplinary action that may include expulsion for students and employment termination for employees.

The Superintendent shall take reasonable measures within the scope of the District's authority to prevent student hazing. All hazing reported to the District or which any District staff member has knowledge of shall be promptly reported to law enforcement, as required by RSA 631:7, Student Hazing.

A copy of this policy will be furnished to each student and teacher in the School District.
