DEAR PARENT:

Your child's throat has been cultured at school by the School Nurse. A germ (streptococcus) has been found that may lead to rheumatic fever or kidney infection if it is not destroyed. It is important that your child receive immediate treatment. Please see your family physician at once and take this notice with you for his signature.

Your child must have this signed notice to be re-admitted to school. Please return this notice to the School Nurse.

Thank you.
