I will be discussing this more with Dail Transportation and am working to collect some other information. I plan to have more information to bring to the meeting. If I have backup that can be added to the packet ahead of time, I will do so and notify the Board of the addition.

7:15 PM D. Engineering Costs for IHGMS Well _____ Action

At the July 13th Board meeting, it was decided that the School Board would consider the engineering costs for the exploration of a middle school well at this Board meeting. This consideration is relative to whether the Board would like to move this project up to complete it sooner, and if those costs will come from capital reserve/operating funds. The estimated cost for this item presented in the CIP was \$15,000. Mr. Ledoux is collecting updated pricing and we plan to have that information for you at this meeting.

7:30 PM E. 2022-23 LRES and IHGMS LEAP Handbooks _____ Action

Pat Arsenault, Director of Youth Services, has reviewed the handbooks and stated that the only change necessary is to the free structure: "Middle school is now free and all of the LRES prices are reduced by half."

7:40 PM F. 2022-23 Employee Handbook Addition _____ Action

The employee handbook was approved by the School Board in June. We'd like to address two additional items that have come up since that approval:

- 1. We are requesting Board approval for the additional wording below to let staff members know that a certain resource is available on our website: "The I.T. Department has developed a list of approved websites available to instructional staff and students. This resource designates websites as "Approved," "Approved with Conditions," "Submitted for Approval," and "Not Approved for Student Use." You will also find instructions on how to submit a website for approval if necessary. Visit our [Technology Services](#) web page and choose "[Technology Reference Sheet](#)" on the side bar.*
- 2. I was told that Dr. DeRuosi was going to obtain legal advice as to whether we can add wording to the employee handbook relative to the expectation that employees will be present in the workplace. I've reached out to our attorney. I hope to have their advice by Wednesday to discuss with you then.*

7:50 PM G. Nominations/Resignations _____ Action

Nominations, if any, as reviewed during non-public session.

Resignations:

Melissa Seeley, Preschool Special Education Teacher, resignation effective July 13, 2022

7:55 PM H. Superintendent Goals _____ Discussion

As discussed at the July 13th School Board meeting, I will be coming to the Board this meeting with two items:

- 1. A proposed goal/plan relative to goal #5, curriculum.*
- 2. A proposed date as to when I expect to be able to complete my review of bullying investigations.*

I am still developing this information at time of writing, but I plan to discuss both with the Board on Wednesday evening.

[EBB Safe Schools](#) (Revised)

As per NHSBA: "The most significant changes [to policy EBB] were (a) the incorporation of provisions which had previously been imbedded in policy EB/JLI, which now concerns only joint loss management provisions required under RSA 281-A:64, and (b) a reporting section relative to violence in schools (per 2020 N.H. Laws 38:14, HB1558)."

[EBCA Emergency Plans](#) (Revised)

NHSBA revision notes, September 2021, paragraph 4 revised to include reference to Sports Injury Emergency Plan as required by RSA 200:40-c (2021 N.H. Laws Chapter 210) new related policy JLCJA. Only other changes were to related policies and legal references. November 2019, revised to reflect increase in changes to RSA 189:64 by 2019 N.H. Laws Ch. 20 (HB 123), regarding all-hazard drills (increasing from 2 to 4 per year), and requirement that at least one drill concern an armed assailant.

[IGE Parental Objections to Specific Course Material](#) (Revised)

NHSBA note, September 2021, revision included (i) reference to RSA 193:40 "Prohibition on Teaching Discrimination" enacted in 2021, (ii) modifying language regarding minimum state standards to track language of 186:11, IX-c; (iii) addition of related policies; and (iv) revising provision regarding human sexual education; September 2017, The 2017 update adds new second paragraph requiring notice to parents and guardians in response to 2017 House Bill 103, Laws of 2017 Chapter 9 which added a requirement that advance notice of no less than two (2) weeks be given of curriculum course material to be used for instruction of human sexuality or human sexual education. The last paragraph applies only for School Districts that receive federal funds administered by the federal Department of Education. It addresses a requirement in the Protection of Pupil Rights Amendment (PPRA), that Local Education Agencies adopt a policy that permits parents to inspect instructional material.

[IHBG Home Education Instruction](#) (Revised)

From NHSBA: IHBG was revised generally in order to align with 2020 changes to Ed 315. Under the revised rules (and policy) the parent now selects a "participating agency" at the outset of the home education program. The rules also clarify that the choice of participating agency in large measure controls the District's function and obligations relative to evaluation, record keeping and reporting. The rules also clarify that the District may charge a fee for most evaluation services (other than state or district assessments). Changes have been made to all applicable sections of this policy.

[IMBC Alternative Credit Options](#) (Revised)

From NHSBA: Added reference to awarding credit for courses at another approved school per 2021 passage of RSA 193-E:3-f (HB182), and added additional related policies and legal references.

There were no revisions suggested to the policies below as a result of the first reading.
