Dear Davinney Brazeau,

Thank you for all of the hard work that went into Life of an Athlete (LoA) this year. At the NHIAA, we understand how much additional work is involved in this program and appreciate Raymond High School's dedication to the health and well-being of student-athletes. As a small token of our appreciation, we secured \$1000 in incentive funds for implementing LoA with fidelity to the model. This funding is available because of the generous support of the state Bureau of Drugs and Alcohol Services and the New Hampshire Charitable Foundation.

Please utilize these funds to support ongoing implementation of the program. Schools have managed to perpetuate the LoA message by using the incentive funds to market the program through t-shirts, posters, PSAs, and other promotional materials. To make the desired positive impact on the Raymond High School community, please consider the above options to continue addressing the health and welfare of student-athletes.

By depositing this check, Raymond High School is agreeing that the items described in the enclosed incentive funds summary were completed for the 2017-2018 school year.

Again, thank you for your consideration, and please let us know should any questions arise or if there is anything we can do to assist with efforts to improve the health and wellness of New Hampshire's youth.

Sincerely,

Jeffrey T. Collins, Executive Director
