Re: LRES Principal Search Process
Date: July 31, 2018

Raymond School District Policy GCEB (Administrative Staff Recruiting) requires, at a minimum, an internal posting of every administrative position and an administrator selection committee. The committee must include citizens, staff members, and School Board Representatives. I recommend the following general composition for the LRES Principal Selection Committee:

Mike Whaland – Curriculum Coordinator – Committee Chair
Scott Riddell – Special Education Director – Alternate Chair
School Board Member/s – TBD
Parents of Very Young or Elementary School Age Children (2) – TBD
Other Community Members (1 or 2) – TBD
LRES Veteran Teacher
LRES Teacher of Three Years or Less
REA Representative
RESS Representative

Maximum of 12 Selection Committee Members

Parent/Citizen volunteers for the committee will be solicited, and the names of those volunteers will be considered by the Raymond School Board. Staff member volunteers will also be solicited; employee committee members will be appointed by the Superintendent.
