F. New/Revised Policies - First Reading _____ Discussion

[ECD Traffic and Parking Controls](#) (Revised to Unmanned Aircraft Systems - Drones)

From NHSBA: "NHSBA created sample ECD at the request of member districts. The sample includes provisions for several types of drone usage implicating different FAA regulations and standards (e.g., educational, extra-curricular, third party recreational, third party hired, etc.). Boards could modify the policy to include some categories of usage, and exclude others, but in all events the drones and drone operation must meet FAA requirements."

[IHBG Home Education Instruction](#) (Revised)

From NHSBA: IHBG was "revised to reflect passage of HB 1663 by (a) adding language in paragraph D.1 (codified at RSA 193-A:6, I) reiterating that parents own home educated child's portfolio; and (b) changing language of paragraph G (re programs and activities) to merely redirect to policy JJJ for the substantive standard. In conjunction with that change to IHBG, NHSBA also revised related policy JJJ, and recoded (with revisions) former IHBG-R (sample administrative guidelines relating to home educated and non-enrolled district students participation in district programming and activities) as JJJ-R. The changes to paragraph G, IHBG-R, JJJ and JJJ-R reflect provision of HB 1663 now requiring a policy related to participation by home educated and non-enrolled district students in district programming and activities, and to better coordinate the related policies/procedures. See September 2022 revision notes to sample JJJ for more information. The 2022 revision to IHBG also included addition of language to paragraph A.3 reflecting the district's continuing duties under RSA 193-A:6, III if requested by the parent/guardian."

[IHBG-R Participation in Public School Activities by Home Educated, Charter, and Nonpublic Pupils](#) (Revise and recode to JJJ-R)

From NHSBA: "this sample is based on the previous sample IHBG-R. Sample was substantially revised, and also re-coded as part of home education and non-district student policies due to HB 1663 (2022 N.H. Laws Ch. 131). Among other things, revisions included addition of a section relating to participation in district instructional programs, reference to other related sample policies, and relocation of previous

components of IHBG-R to the sample policy JJJ (as opposed to administrative regulations”

[JJJ Access to Public School Programs by Nonpublic, Charter School, and Home Educated Pupils](#) (Revised)

From NHSBA: “sample JJJ was substantially revised in conjunction with revisions to IHBG, JJA and JJJ, as well as accompanying procedural documents JJA-R and JJJ-R to better coordinate the “equal access” provisions relating to home educated and other non-enrolled district students’ participation in public school district courses, programs and activities as required under RSA 193:1-c and 193-A:6, III. In addition to the comprehensive revisions to the text of JJJ, the policy category was changed from “Recommended” to “Priority/Required by Law” to reflect the 2022 passage of HB1663, which amended 193:1-c to include such a policy.”

7:30 PM G. New/Revised Policies - Second Reading _____ Action

There were no revisions suggested as a result of the first reading.

7:55 PM J. Budget Freeze _____ Discussion/Action

For discussion on whether to continue the current budget freeze.

8:05 PM K. Sick Bank Committee Representative _____ Discussion

Currently, there is no School Board Representative to the REA Sick Leave Contingency Committee. We would normally address committee representation at this meeting, but the postponement of the elections has delayed that. At this time, we’re requesting that the Board name a temporary representative to this committee in case a request is received and a meeting is scheduled prior to the next Board meeting.
