8:00 PM L. Summer School Fee ----- Action

At the October 13, 2022 School Board meeting, it was suggested to bring the possibility of reinstating summer school fees back to a School Board meeting. Below please find some information from May 2022, when this was last discussed by the School Board.

From the May 4, 2022 School Board Meeting Minutes:

Summer School Tuition: Dr. DeRuosi stated that the District has not charged for summer school for the last two years due to the pandemic, and that both the middle and high school building principals feel we should not charge for summer school again. Mr. Harmon stated that he feels the District should reinstate charging tuition for summer school. He asked if ESSER funds are allowable for that. Mr. Clements stated he is not in favor of charging for summer school. Ms. Miller asked if students who qualify for Free & Reduced status have a different summer school rate. Mrs. Whitmore stated she doesn't believe so; that they don't tie together. Ms. Bennett asked if tuition covers the complete cost of the program, to which Mr. Harmon replied it does not.

Dr. DeRuosi will gather projected numbers and costs and bring this item back to the next School Board meeting.
