- 7:25 PM F. Board Member Input - Possible Future Agenda Items _____ Discussion
- This agenda item has been scheduled to invite any School Board Members to suggest possible future School Board meeting agenda items.*
- 7:35 PM G. Letter to NHIAA re: Wrestling _____ Discussion/Action
- At a recent meeting, the School Board learned that NHIAA does not schedule regionals for girls' wrestling. Mr. Saulnier had mentioned that some schools are petitioning NHIAA to score the girls' events as they do the boys'. This agenda item is for Board discussion as to whether you would like to send a letter of support to NHIAA for the girls' wrestling team.*

- [EB Safety Program](#) (Revised)*
- As per NHSBA, revisions to EB "removed the provisions relative to general safety plans and programs which are now addressed in EBB, and also removed provisions regarding the establishment of a crisis/emergency plan (addressed in sample policy EBCA).
...Revisions also include specific requirements of the Department of Labor relative to workplace safety programs, as well as the Joint Loss Management Committee. Finally, the revisions include reference to requirements imposed by 2020 Legislative amendments to RSA 281-A:64 relative to school employee safety and violence against employees."*
- [IHBAC Developmental Delay as Qualifying Disability](#) (New)*
- As per NHSBA, this policy was created "to provide districts option of including developmentally delayed as a category for special education identification."*
- [JLCB Immunizations of Students](#) (Revised)*
- As per NHSBA, JLCB has been revised "due to an amendment to RSA 141-C:20-c that removes the requirement that a parent's request for a religious exemption to immunizations required for school attendance be notarized...Additionally a new paragraph D was included to reflect a 30 day window for proof of immunizations for children of military families under RSA 110-D.*
- 8:30 PM L. New/Revised Policies - Second Reading _____ Action
- There were no revisions suggested at the first reading (which took place on March 22, 2023). However, upon further review and consultation with NHSBA, policy JJJ has been adjusted to remove wording on page two relative to requests for related services for*

homeschooled students. NHSBA's intention with this paragraph was to provide clarity for school staff as to who should be contacted if a parent makes a request, not to infer that a parent necessarily has a right to services. NHSBA is in agreement that this wording can be removed from the policy.

[ECD Traffic and Parking Controls](#) (Revised to Unmanned Aircraft Systems - Drones)

[IHBG Home Education Instruction](#) (Revised)

[IHBG-R Participation in Public School Activities by Home Educated, Charter, and Nonpublic Pupils](#) (Revise and recode to JJJ-R)

8:45 PM N. Review of School Board Meeting Video Storage _____ Action

This agenda item has been added, as discussed at the June 1, 2022 School Board meeting:

“Storing of School board Meeting Videos: The School Board discussed the option of storing the Google Meet videos within the District and linking them for public viewing. It was noted that the Technology Director had confirmed that there is plenty of space on the District’s drives to do so. MOTION: John Harmon moved, seconded by Tony Clements, to start storing Google Meet video recording on our website, and that the Board will revisit this in a year to determine if they would like to move forward. Voted unanimously in the affirmative.”

There is no requirement to store school board meeting videos. They are housed on our District’s Google Drive. A link to the video is provided on our district website as part of the minutes: [click here](#) to see an example online.

Ms. Whitmore has made the recommendation to request an expenditure of \$29,773 from ESSER III funds to get more modules for Frontline. We are doing a large amount of employee onboarding and terminations, more than before COVID, and these additional Frontline modules would help to streamline these processes. It would also include Time and Attendance through an updated program so we can move away from paper time cards.
