

## **“Healthy Bodies, Healthy Minds”**

### **Mission:**

“The mission of Raymond Nutrition Services is to serve fresh and colorful, high quality meals, that set our students up for life long health to achieve their educational goals ”

### **Vision:**

“Raymond Nutrition Services will support learning by offering fresh, high quality, balanced meals, provided by highly trained teams, in compliance with all federal regulations and budget requirements”

### **Core Values:**

1. Fresh, local, colorful meals that meet federal regulations and encourage healthy choices supporting lifelong health.
2. Well trained teams with the knowledge and skills to prepare visually appealing meals and a positive dining experience.
3. Engage with the community to promote our meal program and services.
4. Make financially responsible decisions that support program goals and maintain a self sustaining program.
