*This agenda item is for discussion of the RHS and IHGMS grading policies relative to "substantially below proficient" grades resulting in no credit for a course.*

*At the March 3, 2021 School Board meeting, one of the adjustments the Board made to the student handbooks was to designate that students who score in the "Substantially Below Proficient" range would not receive credit for the course. This statement does appear in the [RHS Handbook](#) (third paragraph, p. 37). Unfortunately, this statement was omitted in error from the IHGMS Handbook. For reference, the grading section of the IHGMS handbook can be [found here](#).*
