Recommendation for Policy KFR

I have compared our policy to a few local Districts to see if we were in line in regards to the charges for Facilities. I feel that we are in line with these charges and that no changes should be made in regards to the fees that are charged for the usage of the District's Facilities. I do think, however, that we need to clarify that the amount that is being charged is for "up to 8 hours".

Respectfully Submitted,

Marjorie Whitmore
