Proposed Resolution for Consideration – 2019 NHSBA Delegate Assembly

School Board: Raymond

Proposed Resolution: That the decision as to what date to start the school year remain a local decision and not be mandated by the State Government.

Rationale: There has been discussion in State Government about the possibility of mandating that the first of school for all New Hampshire public school be after Labor Day each year. While we're not necessarily opposed to this, we feel that it should be decision made locally, not mandated by the State.
