

## Principal's Quarterly Report to the Raymond School Board

Steve Woodward, Principal, Raymond High School

2018-2019, Quarter 1 Report, Nov. 14, 2018

<b>Highlights</b>	<p><b>*Report Cards:</b> Report cards were issued on 11/6 to mark final grades for Q1. This is the first formal report card we have had in years and also marks the first time we have been assessing students on work-study practices. While we did encounter a glitch here and there, the process went smoothly on our end.</p> <p><b>*Navy Seals :</b> On 10/31, the Navy Seals provided students, faculty and staff an inspirational presentation. We are always open to such positive messages and visits from folks out in the community/work force/military.</p> <p><b>*Freshman Field Trip:</b> On Friday, 10/12, the Freshmen Class attended a field trip to Camp Lincoln. The focus of the day was teamwork and cooperation.</p>																									
<b>Acknowledgements</b>	<p><b>*Playoffs:</b> I would like to congratulate the boys &amp; girls soccer teams for making the playoffs this year. The girls made it do the semifinals. Also, the football team won a spot in the playoffs for the first time in their history.</p> <p><b>*Starfish Award:</b> Paraeducator Gretchen Gott is the 1Q recipient of The Starfish Award. This award is given to a faculty or staff member quarterly. It recognizes a person who goes above and beyond to connect with students.</p>																									
<b>Updates</b>	<p><b>*Work-Study Practices:</b> Our new report cards went live on Tuesday, 11/6. The report card also includes scores for our work-study practices and we are looking forward to receiving feedback from students and parents.</p> <p><b>*NEASC:</b> The RHS faculty is currently voting on the reports of the various NEASC committees. Once all reports have been reported out to the faculty and voted upon, we will begin to finalize our report. The NEASC steering committee is working with Art Wolinski to create a video of RHS for the NEASC Visitation.</p>																									
<b>Challenges</b>	<p><b>*Ram Time:</b> We are currently working to maximize the opportunities afforded us moving into year two of our schedule. This includes incorporating interventions designed around MTSS (Multi-Tiered System of Supports).</p> <p><b>*Schedule:</b> Between in-service days and holidays, it has been difficult to run a normal schedule.</p>
