

Principal's Quarterly Report to the Raymond School Board

Steve Woodward, Principal, Raymond High School

2019-2020, 4th Qtr Report, June. 17, 2020

Highlights	<p>*Celebration of Excellence: For the first time in the history of RHS, our Celebration of Excellence was conducted virtually. Also a first, was the fact that all teachers at RHS were able to participate! I want to thank Shelley Tudisco and Brittany L'Heureux for their help organizing this event.</p> <p>*Class Night 2020: Class Night this year was held on our original graduation date to provide some closure to their high school careers. New to Class Night was the awarding of scholarships which normally occurs at graduation. Additionally, we also did the yearbook dedication as part of this year's ceremony. This year's ceremony was live streamed and aired live on RCTV.</p>
Acknowledgements	<p>*Starfish Award: The Starfish Award is given to a teacher each quarter who goes above and beyond who connects with students in the classroom. The Q4 honorees are Chris Cameron and Chrissy Pauili. While all teachers went above and beyond this quarter, their communication with parents and students was excellent and they worked tirelessly to reach every student during remote learning.</p> <p>Preschool: I would like to officially welcome the Preschool Program to RHS. We are looking forward to this new addition and welcome the following individuals who will be transferring to RHS: Megan Cargill, Annie Vincent, Jean Gagnon and Laura Vaughn.</p> <p>*Faculty and Staff: Every year RHS awards service pins for faculty and staff.</p> <p>Receiving 5 Year Pins this year are Jennah Dussault, Heather Powers, and Laura Sforza.</p> <p>Receiving a 15 Year Pin this year is Ann Roman.</p> <p>Receiving 20 Year Pins this year are Dean Plender, Joann Plender, and Ben Ramsey.</p> <p>Receiving a 25 Year Pin this year is Davinney Brazeau.</p> <p>Receiving a 35 Year Pin this year is Pat Nardone.</p> <p>The following individuals are retiring or leaving us this year:</p> <p>Angela Fallon: Angela has been at RHS for 6 years as our social worker and is leaving to go into private practice. We thank her for being there for our students in need and wish her success in her new endeavor.</p> <p>Jim Maloney: Jim is leaving RHS after 17 years. During that time he has taught social studies and math. Jim has always been willing to help out where asked and could always be counted on to be even keeled. He has long participated in the Pops Concert and our Interact Advisor, and has led a number of community service projects.</p> <p>Sue Puchacz: After 23 years at RHS, Sue Puchacz will be leaving us, although she will</p>

	<p>still be helping out behind the scenes. Sue has been the consummate professional and always looking to improve the way we do things. Her professional judgement has been invaluable to the admin team and teachers and her work on our scheduling process will sorely be missed. I have had the pleasure to work alongside many school counselors and Sue has been the best.</p>																					
<p>Updates</p>	<p>*RHS Graduation Advisory Committee: We have had three meetings virtually and two on site to discuss options. While graduation will look a little different this year, we think I will be discussing this in more detail later.</p> <p>*Course Selections: Students have received their schedules for the 2020 - 2021. Teachers have also received their classes, but will not receive actual rosters until mid-July.</p> <p>*Positions: We anticipate the need to fill three paraeducator positions before the start of the school year.</p> <p>*Summer School: Summer school invitations were sent out on Monday, June 15. This year we are opening summer school to all students at the high school. We will also be inviting 8th grade students who need to recover competencies.</p>																					
<p>Challenges</p>	<p>*Attendance/Tuancy: Remote Instruction has presented a challenge in making sure that students remain engaged. There are many factors at play here including adult supervision, employment, etc.</p> <p>*Planning for Next Year: Our biggest challenge moving forward will be addressing issues related to school reopening in the fall. While there are many questions, we will make decisions that are based on the best interest of our students.</p>
