RHS Opening of School Report – 2017-2018

The 2017 – 2018 school year. We implemented a radically new schedule with only minor glitches. We ran out new schedule with only minor adjustments to allow for a school wide assembly. During our Monday Morning Meeting time and Ram Time (which run back to back on Mondays) we held our annual Move-Up Assembly. This was followed by an introduction of new faculty and staff and brief comments from the Principal. Afterwards, students were sent to their RAPs to review changes to the handbook, receive locker assignments, etc.

Buses: There were no major problems with the bus runs. However, buses are arriving earlier this year and letting students off the buses earlier. This is an issue as coverage is not in the building at that time.

Grade	Enrollment
9th	115
10th	115
11th	83
12th	74
Total	387

Enrollments/Withdrawals after August 18: There have been 15 new registrations & 10 withdrawals since this date.

Positions: All positions were filled by the start of the school year. However, since then we have received one letter of resignation.

Lunches: While the lunches are bigger this year because we are only running 2 this year, we were able to accommodate students without issue. Two additional tables have not been delivered yet, but with the addition of a bench table there was plenty of seating in both lunches. The lunch lines are moving quickly (under 10 minutes) and students have ample time to eat and socialize. The dismissal of the first lunch and arrival of the second lunch created a traffic jam on the first day. We are now dismissing the first via the café exit that heads to the gym and music room. This has elevated the issue.

Events for September:

9/5 – RHS Faculty Meeting.

9/12 - RHS Open House – 6:00 – 7:30PM.

9/15 – Freshie Welcome Dance – 6:00 – 9:00PM.

9/19 – NHS Blood Drive – 8:00AM – 1:30PM.
