They definitely stepped up during a challenging time. Also, I have never been more impressed with our faculty and staff during the pandemic. It is through their dedication and flexibility that we were able to provide the best services possible.</p>																									
Updates	<p>*RHS Student Schedules: Both students and faculty have their schedules for next year.</p> <p>*NEASC: We are currently working on our 2 Year Report for NEASC. While the pandemic clearly had an impact on our progress, I am pleased with the progress we have made thus far regarding curriculum, rubrics, and common planning time.</p> <p>*Summer School: We currently have a record 57 students enrolled in summer school. Students are working on recovering competencies they failed during the year.</p> <p>*NH Laws: NH has passed 2 new laws that have a direct impact on RHS. We are currently working out the details regarding the new discipline law and HB2, which deals with divisive concepts, and their impact in the building.</p>																									
Challenges	<p>*Professional Development: We are currently in the process of planning our professional development for next year. Much of this work will focus on rubrics and common assessments.</p> <p>*Post Pandemic: We are currently exploring the lessons learned during the pandemic and identifying those practices that are worth keeping as we move forward.</p> <p>*Staffing: The candidate pool in the state is extremely small this year and I am concerned that filling some positions will be very problematic this summer.</p>
