

## Principal's Quarterly Report to the Raymond School Board

Steve Woodward, Principal, Raymond High School

2021-2022, Q1 Report, Nov. 17, 2021

<b>Highlights</b>	<p><b>*Report Cards:</b> Report cards were issued on Wednesday, November 10 to mark final grades for Q1. We continue to also report out on course competencies and work-study practices in addition to course grades.</p> <p><b>*I Am College Or Career Bound:</b> On Friday, November 12, the RHS School Counseling Department's annual I AM COLLEGE OR CAREER BOUND event was held. All seniors were scheduled to come to the library and meet with our School Counselors or ELO Coordinator to either submit college applications or receive information about apprenticeships, military, or job openings. I AM COLLEGE BOUND is a program sponsored by the New Hampshire Higher Education Assistance Foundation. This year we are modifying the event to include other career pathways!</p> <p><b>*Red Ribbon Week:</b> Red Ribbon week is a program devoted to the well-being of our children since 1985. The mission of RRW is to support our nation's families and communities in nurturing the full potential of healthy, drug free youth. This week Raymond High school staff and students have embraced a message of living drug free and encouraging recovery efforts. Students participated in RRW activities this year, albeit with some changes. I want to thank Greg Pantazis, our SAP Counselor and RCFY's Pam Baker for making RRW possible this year.</p>
<b>Acknowledgements</b>	<p><b>*RHS Faculty and Staff:</b> Our sub situation is improving, but I want to thank the faculty and staff for picking up extra classes when others are out. Their willingness to help out allowed us to remain open on days when there was not adequate coverage.</p> <p><b>*Starfish Award:</b> The Starfish Award is given to a teacher each quarter who goes above and beyond to connect with students. The Q1 honoree is Holly Londo. She worked relentlessly to help ensure that all of our students have post secondary job opportunities and extended learning opportunities while students at RHS.</p>
<b>Updates</b>	<p><b>*RHS Program of Studies:</b> RHS Team Leaders are currently working with their teams to make edits and suggestions to the RHS Program of Studies. It is our goal to present the program of studies to the RSB prior to the holiday break.</p> <p><b>*COVID:</b> We were able to quickly get our cluster event under control and numbers have stayed very low since. We have made changes to some of our later events.</p>
<b>Challenges</b>	<p><b>*Current Staffing:</b> We are slowly adding subs and coverage is getting better, but still a challenge on some days. We welcome Amy Rutledge, who will be working in REAP. We have hired one para through Maxim Health and still need 3 more. We currently have openings for a Case Manager and STEM Interventionist.</p> <p><b>*Staff Reductions:</b> The reduction of 7 REA positions and additional para positions during the last 7 years has created numerous issues. Additionally, the loss of para positions have further complicated the building safety and our ability to educate our students.</p>

<b>Discipline</b>	<b>*Q1 2017-18:</b>	<b>*Q1 2018-19</b>	<b>*Q1 2019-20</b>	<b>*Q1 2020-21</b>	
	Detention:	16	64	130	12
	ISS:	29	82	60	0
