October 1st Counts ** Students with IEPs

Currently 93
Students with
504 plans

October 1, 2015	325
October 1, 2016	332
October 1, 2017	326
October 1, 2018	314
October 1, 2019	304
October 1, 2020	283
October 1, 2021	285
October 1, 2022	253
August 31, 2023	230 **

Currently providing services to students ages 3-22 years old

Percentages

Currently ~ 28% of student enrollment are students with disabilities
20% with IEPs (consistent with Spring data)
8% with 504 Plans

Based on current enrollment of 1140 students (still processing move outs/in,
homeschool requests, and preschool numbers)

Out-of-District Placements

21 OOD students - combination of students we have placed in special education programs, court-placed, foster-care, legal agreements

Plus Charter School Students

Numbers change fluidly, we have no control over court-placements and foster-care placements
