Still going strong, streamed basketball and Graduation!

- Build out and implementation of Google meet kits for Hybrid and remote education
- Google Meet kits have a life beyond streaming

Current status of Chromebooks

- K-3 Will have devices assigned to them, the devices will remain in the building unless the students will be remote for an extended period.
- 4 - 12 grades will have devices assigned to them. They keep for the year. These devices will travel back and forth between school and home.
- 700+ Chromebooks are End of life (Including the 300 from Concord)
- Will have a life cycle breakdown of all devices after the summer break collection

- Working well as the districts daily screener for Covid-19
- Lamprey River is reviewing the other features of Pick Up patrol and is possibly looking to implement them next year, more updates to come over the summer months.
