

WIN (What I Need) -

The WIN block is a 30-minute block of time that is dedicated to students' individual academic needs. Students make decisions for themselves or are guided to activities that benefit them most. They can go to their teachers with questions on current or past assignments, take part in re-teaching on current topics, complete a re-take on an assessment, or work collaboratively on the current curriculum. It is also a time that students can receive support such as speech, counseling, and special education. It allows all students to get the appropriate support they need, including enrichment opportunities.

Teachers and students in grades 6th, 7th, and 8th work together on Monday mornings during homeroom to create a plan for the rest of the week, which is then entered into a conference sheet.

The WIN conference sheet is on the next page.

“What I Need” (WIN) Scheduling Sheet

Name: _____ Date: _____

Step 1: PowerSchool Data from Previous Week.

Log in to your PowerSchool account and complete the table below for all classes.

	List any competencies or summatives that are missing or failing.	Overall Grade
Math		
Science		
English		
S.S.		
UA		

Step 2: WIN Class Scheduling

Look at the weekly schedule provided by your teacher and the information from PowerSchool to make **responsible choices** when choosing classes for the week.

	Tuesday	Wednesday	Thursday	Friday
Choice 1				
Choice 2				
Choice 3				

Step 3: Check your **school Gmail account** for your schedule.
