

RAYMOND HIGH SCHOOL

"Home of the Rams"

Announcements Monday April 15th

White Day 5, 8, 2, 6, 7

The Raymond Rec Department is still looking for volunteers and counselors in training for their summer playground. Pick up an application in the main office.

For the following opportunities, sign up on Adaptive Scheduler or see Mrs. Londo:

- Tuesday (RAM): We all know Ms. McCann....but do we really? Are you interested in the field of Education, possibly in Administration? Ms. McCann will be talking about the tasks involved in her job as an Assistant Principal. I think you'll be surprised by what she does on a daily basis.
- Thursday (RAM): Great Bay Community College will be in the School Counseling Office today.
- NH Forestry Career Day Field Trip is coming up-If you are interested in the career paths of forestry, construction, line workers, land surveyor, environmentalist and more, this field trip is for you. Space is limited.

Are you interested in an ELO over the summer? If so, now is the time to start planning. Paperwork deadline is May 17th.

The class of 2027 is hosting an online fundraiser for bulb and seed kits. Spread the word to friends and family by sharing the link sent to you through parent square.

Learning. Growing. Forever Green.
