Looking for a way to earn Spirit Week points for your class and do some good in your community at the same time? Our school's NHS chapter is holding a food and clothing drive all week during lunches. Just bring your donations on stage during your lunch period and give it to the NHS member manning the table. So clean out those closets, attics, and cupboards and make your donation today. Spirit week points will be based on the total amount of items each individual class brings in. Thanks for helping out those in need!
